Portland, Oregon

Restoring our Birthright of Connection

**Family, Nature and Community Systems Constellation
Constellation as Ceremony**

Francesca Mason Boring, bi-cultural Shoshone author, international teacher and facilitator encourages respect and incorporation of ancient healing wisdom traditions with systems constellation. Instrumental in the development of constellation as ceremony, community constellations, nature and environmental constellations, Francesca has facilitated or taught constellation work in Germany, Holland, Switzerland, Canada, Australia, Singapore, Italy, South Africa and the U.S.A.

Greet Autumn, seasonal celebration and gatherings with a new feeling of flow and warmth.

With the encouragement of our ancestral capacity and celebration of our resilience we come together for a transformational walk with the family soul.
