Francesca Mason Boring
All My Relations Constellations
Family & Systems Constellation Workshop

October 18-20, 2019

Healing Arts Center of Altadena, Altadena, CA

In honoring our ancestry within the safety of our common humanity, for the first time we can live our lives within the context of what is. Without the restraint of systemic burdens we can fully step into the world with love. Perhaps this is one important step toward healing the world.

-Francesca Mason Boring

Family Systems Constellations: In the company of good people (2019)
