

# 2021 FAMILY, NATURE & ORGANIZATIONAL SYSTEMS CONSTELLATION WORKSHOP

## *Embracing Our Strength & Humanity*

Francesca Mason Boring,  
All My Relations Constellations  
PORTLAND, OREGON  
OCTOBER 16 & 17, 2021

**Family Systems Constellation brings the love and the joy in your family soul and relationships to light!**

**Remove systemic barriers to love, health, financial stability and wellbeing. The sacred Circle strengthens individuals, professionals and couples as well as family, organizational and community systems. What is blocking your opportunity for love, health and prosperity? Find new possibilities and productivity in the Circle; be held by the honoring of your ancestral field and life.**

**With support of the ancestors, we take a transformational walk with the family soul with our feet planted soundly on the earth. Francesca combines respect and incorporation of ancient healing wisdom traditions with the art and application of systems constellation.**

**Location:** Resound NW, 1532 SW Jefferson St., Portland, Oregon 97201

**Time:** 9AM-5PM Lunch Break 12 Noon-1:30PM

**Investment:** \$275 Early Bird Rate (before Oct. 8) After October 8: \$375

**To Register** Contact Sonia Farwell, Coordinator: [sonia.garciapdx@gmail.com](mailto:sonia.garciapdx@gmail.com) (971)400-1060

**Francesca Mason Boring** is a Western Shoshone, bi-cultural author, international facilitator and trainer of Family Constellation. Informed by the work of many of the early Masters in Family Systems Constellation, as well as her own indigenous elders, Mason-Boring has contributed to the development of the integration of ceremony and ritual in family constellation work as well as advocating the inclusion of nature in facilitation as a support for trauma. Mason-Boring has provided Facilitator Training, workshops and served as faculty for Systems Constellation Intensives. Francesca has presented at numerous conferences on the Universal Indigenous Field, serves on the advisory board for The Knowing Field, an international scholarly journal on systems constellation and is a member of the International Systems Constellation Association (ISCA).
