

## RE-MEMBERING LOVE AND CONNECTION

**Francesca Mason Boring**

**All My Relations Constellations**

**OCTOBER 8 & 9, 2022**

**PORTLAND, OREGON**

Held by the respect of Circle Technology and Family & Human Systems Constellation we will explore the path of interconnection and love. In our family, work and community, it is our birthright to walk with an open heart and well-being. Hidden dynamics which interfere with the flow of love, healthy connection, and financial flow, may become conscious as we discover our innate privilege of belonging.

With the support of our ancestors we will be nourished by the legacies of courage and resilience that are in our bones.
