

NATURE CONSTELLATION WORKSHOP

With FRANCESCA MASON BORING, All My Relations Constellations

Location: St Edward's Park (21st) ~Eastside Bahai Center (22nd)

June 21-22, 2024 Seattle, Washington

June 21-22: 9am-5pm

June 21: Public Demonstration of Nature Constellation Location: St. Edward's Park -Orchard Site, 1445 Juanita Dr. NE, Kenmore, Washington, 98028 . This day is open to the public at no cost. Systemic community environmental issues are addressed in Nature Constellations outdoors.

June 22: Location Eastside Bahai Center 16007 NE 8th Street Bellevue, WA 98008 . Nature and environmental constellations are introduced in greater detail. Recommended for facilitators of Systemic Constellations who are interested in Nature Constellations as well as those who work with and are committed to the environment. All participants of the 2-day workshop must attend both days.

Introducing and including nature in our systemic world view, allows a rich reconnection to what sustains us.
