

# 2025 Facilitators Systemic Constellation Advanced Training With Francesca Mason Boring, All My Relations Constellations April 18-20, 2025

[Puget Sound Yacht Club, 2321 North Northlake Way, Seattle, WA 98103](#)

This intensive experience for trained facilitators is an opportunity to be current on new developments in systems constellation, to network, observe or participate in case supervision and find support in deep soul collaboration in the facilitation of Family, Nature, Organizational Systems Constellation and Constellation as Ceremony. The approach to this training is phenomenological as well as constructivist and utilizes the Universal Indigenous Knowing Field.

Utilizing Circle Technology this journey may broaden your understanding of what is possible for you, your practice, your relationships, and systems constellation. Within the safety of the Circle you will expand your skills and **be nourished as a facilitator by the hope that is integral to Family & Human Systems Constellation.**

Francesca Mason Boring is Shoshone and enrolled with the Shoshone-Paiute Tribes. An international [author](#), teacher and facilitator she has contributed to the development of [Nature Constellations](#), Community Constellations and Constellation as Ceremony. Francesca provides workshops, facilitator training and has served as faculty for Constellation Intensives in Germany, Mexico, South Africa, Australia, Portugal, Bali, and the United States.
