

The Hope of the Sunrise

Family & Human Systems Constellation & Constellation as Ceremony
Workshop with Francesca Mason Boring, All My Relations Constellations

May 2 & 3, 2026 ☀ Beaverton, (Portland area) Oregon

Family & Human Systems Constellation & Constellation as Ceremony provides an expansive context and a better view of the 'big picture'. *Where in your life and relationships have you felt stuck, blocked, excluded, bitter or isolated?*

In the safety of the Circle, with the support of our ancestors, this in-person workshop provides an opportunity for you to acknowledge hidden dynamics in the family system which may hinder your ability to soar. We widen our view when we began to have an embodied experience of a systemic perspective. We find welcome in the Circle of Community.

Finding our place, a sense of belonging and peace within our family, our work, and the natural world allows for the rise of a freedom to live with joy, and strength.
