

LIFE IS CEREMONY

WE GATHER NOT TO FIX THE EARTH BUT REMEMBER THAT WE ARE A PART OF HER

An Inner Arts Institute Offering

Francesca Mason Boring will guide a community experience of Nature Constellations — an embodied, participatory practice that reveals our relationship with land, lineage, and the living systems that sustain us.

Through guided constellation processes and shared ceremonial moments, we will listen for what is asking to be restored — in ourselves, in our communities, and in our relationship with place.

July 24th, 25th, 26th

Location: Amherst MA

Cost: \$475.00
